

STAND OUT FROM YOUR COMPETITION

WITH IFAI PROFESSIONAL CERTIFICATION

GET CERTIFIED
THIS YEAR!

Industrial Fabric Manager (IFM) –

- Recognizes superior knowledge of the principles and practices of business and organizational management

Master Fabric Craftsman (MFC) –

- Provides recognition for superior skills and knowledge in all phases of product design, craftsmanship and installation

EXPERIENCE THE IMMEDIATE, TANGIBLE BENEFITS OF CERTIFICATION:

- Certification Demonstrates:
 - Knowledge
 - Professionalism
 - Experience
 - Recognition
 - Leadership
- Advertises that you are a recognized professional in your industry
- Verifies your superior skills in design, workmanship, and installation
- Improves career and earning potential
- Furthers your professional development

WHY CERTIFY? A PRO TELLS HIS STORY...

“Becoming certified lends credibility to my experience in the industry and to my business. It has given me an edge when in competitive situations in the market, the fact that I am a Master Fabric Craftsman and a certified Industrial Fabrics Manager says to a potential customer that I take my profession seriously and will do the best job possible for the client’s business.”

Kevin Yonce, IFM, MFC, TCT&A Industries, Urbana, IL
